KALEIDOSCOPE

A unique magazine in Poland!

- **Press engages** – while reading we concentrate. Therefore, we can easily take our mind off things. In is a kind of relaxation we yearn for.
- **Press builds credibility** – through constant contact with our readers we know to advice and make our readers trust us. It is the special bond and trust between the reader and the magazine that is create on the basis of a discussion (e-mails, letters, comments, dispute) and which results in strengthening credibility and advertising message.
- **Press enhances brand awareness** – thanks to immense possibilities of presenting a product in press, the enhanced content of advertisement not only allows the reader to get to know the product better but also strengthens its image.
- **Press has precise reach** – on the basis of wide variety of topics, consumer and readership research, it is easy to create target group and introduce products in accordance with a group's needs.
- **Press is a creative medium** – Beside a wide variety of formats that the press has to offer, it also provides advertising forms such as editorial articles, advertorials, interviews with CEO or product experts, etc.
- **Press builds intimacy** – as the research shows, most readers associate reading with relax and intimacy. This is what clearly improves perceiving the message of an advertisement. Moreover, a magazine always engages into a discussion; what's new, what's interesting, what is worth recommending.
- **Press does not irritate** – the research show that TV audience is irritated by the amount of emitted commercials. 80 percent of respondent considered commercials to be the most irritating whereas advertisementt in press is regarded to be irritating by only 8 percent* .
